## Street Address

You may have difficulty searching for your tax bill because your address on the deed may have been recorded with abbreviations.

- ▶ Try entering the address without the Street, Road, Drive, or Lane in the property address search cell.
- ▶ Try entering only the first letter for directional identifiers like **N** for **North**, **E** for **East**, **S** for **South**, **W** for **West**

**Example Address:** 1234 West 32nd Street

- ▶ Search by 1234 W (do not type out West) and scroll down to find your street name.
- ▶ Search by 1234 W 32nd (do not enter Street or St.) and you should go directly to your property address.

## Service Fees

All payments processed on-line will be assessed a service fee. The Treasurer-Tax Collector's office does not charge a fee to process payments on-line, however, the vendor processing your payments assesses the service fees. All service fees are assessed by our credit card vendor, not the County.
